

Bible Baptist Christian Academy

Graduation Information

All graduating seniors will be required to pay a graduation fee according to the current financial policy. Announcements or invitations are the responsibility of each student. Students typically complete eight semesters of high school academic attendance. Once the required course for graduation has been completed based on the current "Schedule for Graduation Requirements", a student may apply for early release after their seventh semester. Any changes in this procedure would go before the administration prior to the beginning of that school year.

Schedule for Graduation Requirements
